1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a homeowner in Richland County.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

As a homeowner in Richland County, with income of limited means, this increase is an unwelcome hit to my budget, and given the lack of proper accounting for the reclamation of water, and discussing with neighbors in the community, comparing varying households with multiple residents vs. me (a single resident) it seems I'm paying the same amount that my neighbors with a family of two, three or larger are paying. This is not fair, and until such time a properly tested and documented reclamation tally can be installed or determined, I (for one) would like to see this rate increase postponed and/or declined.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

I am unable to appear in person
